OFFSHORE PATROL VESSEL

OPV1400 Coast Guard

OPV 1400 Coast Guard

Although compact in size, our smallest OPV offers high level capabilities. It features an integral helicopter hangar, two tenders and offers 25-day endurance, all within an overall length of only 72 meters! Galatamarine can provide an extendable hangar and flight deck for a helicopter of up to 6 tons, lights and visual aids for Day & Night operations and a fueling system as options. The RIB on board can be underway in less than a minute thanks to launching slipways. These slipways prove very practical aboard more than 40 Damen Patrol Vessels to date.
