OFFSHORE PATROL VESSEL

OPV1800 Military

OPV 1800 MILITARY

Known for its excellent power/speed ratios, the OPV 1800 offers high endurance on a fully capable offshore platform. It requires much less power than typical corvettes with a hull designed for more economical patrolling speeds. Equipped with four diesel engines with two controllable pitch propellers, it is also possible to run only two diesels at patrol speed to reduce fuel consumption and extend its range. The vessel has a hangar, flight deck and service space for a large helicopter of up to 11 tons.

TECHNICAL DETAILS	
Length	83 m
Beam	13.7 m
Draught	3.9 m
Displacement	1900 t
Range	4000 nm
Speed (kn)	20-22
Accommodation	Up to 80
RHIBs	2*8.5 m
HELO	1 x med. weight + hangar
