SAR

**Search and Rescue Vessel 5009**

## Search and Rescue Vessel 5009

Galatamarin's SAR 5009 is the perfect platform for SAR duties on the high seas. The combination of superior seakeeping and the position of the wheelhouse results in the highest possible level of operability. The large aft deck, capable of accommodating up to three daughter craft, and a comfortable, spacious interior offer the space needed for effective large-scale SAR operations. Additionally, the long and slender Sea Axe hull offers exceptionally low resistance, delivering excellent fuel efficiency at all speeds.
