OFFSHORE PATROL VESSEL

Stan Patrol 4207

Stan Patrol 4207

The Stan Patrol 4207 is a dedicated patrol boat, based on the Enlarged Ship Concepts, and can be fitted with special communication systems and military equipment. The positions of the working areas on board are well aft, where the ship motions are least, thus improving working conditions and decreasing crew fatigue. The slender hull line produce great seakeeping performance and low resistance.
